

Solitude Ranch

Offered by Brenda Bosse, Broker Associate, Cell 719-371-3270

M&TE50 - SOLITUDE RANCH - Take life easy with this virtually maintenance free home. The exterior is stucco & custom stone work & maintenance free decking. The interior of the home is loaded with features, including 2 gas fireplaces, wine room for 579 bottles, outdoor gas fireplace, granite countertops and many other features too numerous to detail here. There are HUGE VIEWS OF THE MOUNTAINS from all the living areas of the home because of the expansive windows throughout the area. The basement has a large family room/entertainment area, 2 or more bedrooms, large office areas, and finished storage areas. Entertaining outdoors will be a real pleasure with the outdoor gas fireplace, large decks, and patios. Custom log entryway and fencing makes the property extra special. 7.94 acres listed for \$549,900.
